SWANTON MORLEY SCARECROW COMPETITION 2019

RULES AND GUIDELINES

- Any individual or any family, or group of friends up to a maximum of four people who live in the Parish is welcome to enter the scarecrow competition!
- To participate, entrants must submit completed registration forms and have their scarecrows on display in a location visible from the public highway by the required time
- As 2019 is the 50th Anniversary of the first manned landing on the moon on 20th July 1969, we have decided to make this the theme of the scarecrow competition. There will be two prizes; one for scarecrows designed and built by children up to the age of 11 and the second for children of 12 and over
- Registration forms will be available on the festival website and can be submitted by email or by hand to the Parish Council Office in the Village Hall by 12 noon on Friday, 14th June 2019
- The height of your scarecrow must be a minimum of one metre, but not exceed two metres
- All scarecrows must be built from scratch by the entrant (no commercial creations allowed)
- Creativity and originality – judges will be looking for scarecrows with that little bit extra, it may be the materials used, the way the scarecrow has been made, how the scarecrow is displayed, or simply a fantastic idea that catches the judges eye
- You can use any materials you like to build your scarecrow, there are no restrictions – with just one exception: pre-moulded or commercially available face masks are **NOT** permitted
- All Scarecrows must be made and displayed in good taste. Any entrant designing their scarecrow to cause deliberate offence will be disqualified
- All scarecrows must be displayed at the front of your property, or if appropriate, just inside the fence line of Robinson barracks adjoining Hoe Road North and must be on display in the Parish by 12 noon on 14th July 2019. They should be positioned so as it is unnecessary for anyone to access your property in order to view them. This is especially important at the barracks. They must also be secured in a manner that they will not blow away and will not otherwise be a danger to, or possibly cause injury to anyone. The Swanton Morley Festival Committee will not be held responsible for any damage to third party property caused by the creation or insecurity of scarecrows. Owners are held solely responsible for the safety and security of their scarecrow(s).

Finally... The most important rule: Make sure you enjoy yourselves!

JUDGING

Only scarecrows registered in time will be considered by the judges. Judges will be selected by the committee. Judging will take place during the week beginning the 15th July, 2019 and prize winners will be announced and presentations made at the village fete on Saturday 20th July, 2019. The scarecrow committees' and judges' interpretation of these rules (and any decisions made by them) are final.

By entering the scarecrow competition you confirm that you accept these rules
